Mr. Stockman,

Thank you for your patience as we investigated the matter. Under the Preliminary Injunction entered in Case No. 20-cv-4806 (see attached), Amazon is required to take down listings and freeze the assets of any merchant who sells or offers to sell products that infringe one or more of our client's design patents.

To facilitate in settlement negotiations between your client and ours, please have your client answer the following:

1. Please confirm that your Amazon store name is Shanchun-US.

2. Please confirm that your Amazon merchant ID is A2NUD2WSEZ9ZT.
3. Please confirm that you sell or have sold products using the Amazon Standard Identification Number (ASIN) B07C3861F.
4. Have you received any communications from Amazon regarding any ASINs related to the sale of hoverboards, or relating to the takedown/suspension of such ASINs?
5. Did you create an ASIN to sell your hoverboard products? If not, from what Amazon merchant did you acquire your ASIN?
6. Are you aware of any other merchant who uses or is affiliated with your ASIN?
7. Do you have a license to sell Gyroor-branded products, or otherwise have any relationship with Gyroor?
8. When did you first purchase Gyroor-branded hoverboards, and in what quantity?
9. On or about what date did you first begin offering Gyroor-branded hoverboards for sale?
10. Are you selling or offering to sell any other Gyroor products?
11. Please provide records of your sales for all Gyroor-branded products.

Thank you and we look forward to hearing back,

Marwa Abdelaziz

Rule 408 Settlement Communications:

Good afternoon Marwa,

I appreciate our call last week and had the opportunity to investigate further and speak with my client regarding the issue.

First, they have no affiliation with the other company, shenzhenshanchunkejijouxiangongsi, operating on Amazon as Shanchun-US. They have provided their company filing for your review so you can see the information is unique. Please see attached.

From further discussion, we identified that this seller sold a pair of Gyroor hover shoes, but not a Gyroor hoverboard. Please see the sale record attached identifying the product sold. Furthermore, I have already confirmed they no longer offer this and will agree not to use this mark going forward without the express consent of Gyroor.

From my review of the pleading, this case only asserts causes of action related to design patent infringement of the Gyroor hoverboard, not hover shoes, nor any claims for trademark infringement. As it would appear, these claims do not apply to my client.

Please let us know how we can resolve this and if you require any further information to validate. We would note our investigation is still ongoing but this is the extent of what we have found and confirmed so far.

Thank you,

Good evening,

At this stage, my client intends to appear in the litigation and mentioned seeking damages under FRCP 65(c) for being wrongfully restrained.

I do not think that is necessary and the parties can likely avoid any litigation with a resolution sufficient to satisfy both sides. Please let me know if you are available to discuss this evening.

Thank you,
